COVER Co188 Lady Diamond

Innocent and delicate, Lady Diamond captivates with moments of enduring elegance. The pure, round case holds a magnificent dial on which diamonds circle around a centre of shimmering mother-of-pearl. An exquisite steel bracelet of classic rounded contours completes the stunningly beautiful design. In addition to the black and white versions, the watch comes in a gold, as well as, a rose-gold bicolour execution. This special edition model is limited to 500 pieces each of which carries its own serial number.
